

8. QUALITY COUNCIL REVIEW AND AUDIT PROCESS

8.1 Ongoing approval of changes to the YUQAP

Further revisions to the York University Policy on the Approval and Cyclical Review of Programs and other Curriculum and/or the York University Quality Assurance Procedures (YUQAP) are subject to approval by the Quality Council.

8.2 Audit Process

The objective of the audit is to determine whether or not the institution, since the last review, has acted in compliance with the provisions of its YUQAP Cyclical Program Reviews as ratified by the Quality Council.

All publicly assisted universities in Ontario associated with the Quality Council have committed to participating in this audit process once every eight years. Additional audits for specific institutions may take place within any cycle, as described in the Quality Assurance Framework. The Quality Council consults with OCAV in establishing the schedule of institutional participation in the audit process within the eight-year cycle and publishes the agreed schedule on its website.

Auditors independently select the programs for audit, typically four undergraduate and four graduate cyclical program reviews.
